## Ultra-Slim Laptop Goes Anywhere

**Tandy WP-2 Portable Wordprocessor.** From boardroom to classroom, from library to home office, you can take notes, prepare reports and write letters in style. Battery operated and weighing only 3.1 pounds, the 1"-thin WP-2 slips easily into a briefcase or backpack and lets you make more productive use of those times when you need the word-processing power of a PC—and the portability of pen and paper. The full-size keyboard lets you cut, paste, search, replace, center and justify your text with just a few keystrokes. And there's no need to lug around a heavy dictionary. The jet black case houses a 100,000-word spelling checker and a 200,000-word thesaurus. For hard copies of your work, the WP-2 easily connects to Tandy or other IBM-compatible printers. You can even add an optional modem to transfer files to your personal computer by phone. Requires four "AA" batteries or AC adapter (not included). FCC Class B. (TSP available) **349<sup>95</sup>**

### The Tandy 1000 RL Has Earned the Good Housekeeping Seal!

**NEW!** Tandy 1000 RL. Finally, the easiest to use home computer from America's leader in PC compatibles! The Tandy 1000 RL is a true Home Organizer with the tools you need to plan schedules, file valuable information and perform other household or personal management tasks. Bring work home from the office or school to your own "friendly" environment. MS-DOS and the DeskMate Interface (with its easy-to-follow menus and prompts) make the 1000 RL easy to use for everyone in your family. And there's 512K RAM—enough for most applications—that's expandable to 768K. Use DeskMate's included word processing, spreadsheet, database and graphics or use the new DeskMate Home Organizer, exclusively with the 1000 RL (see story next page). A 3 $\frac{1}{2}$ " disk drive is built-in, so you can use durable, pocket-size diskettes. Plus, an additional drive/device slot lets you add either a second 3 $\frac{1}{2}$ " disk drive or a 20MB SmartDrive.

The 1000 RL comes with many "extras" built in. Video board, PS/2® mouse port, printer port, two joystick ports, a volume-controlled headphone jack and a microphone jack so you can take advantage of incredible sound capabilities. And the 1000 RL's 101-key enhanced keyboard is identical to the keyboard used with our top-of-the-line 386-based business computers—you'll appreciate its professional "tactile" feel. An 8-bit expansion slot lets you add accessories such as an internal modem that will give you access to electronic banking or DeskMate's PC-Link® online information service. The Tandy 1000 RL is a terrific value, with features that fit your life-style. (TSP available)

# NEW! THE DESKMATE HOME ORGANIZER

24 Lifestyle Applications—All Included With the Tandy 1000 RL

Discover the DeskMate Difference . . . The Friendly Face in the PC Crowd.™

- With Recipes From The New Good Housekeeping Cookbook®
- Keep a Standard List of Frequently-Purchased Grocery Items
- Offers a Computerized Message Board for Families On the Go
- Financial Applications Scrutinize Income and Expenses—A Real Time-Saver at Tax Time
- Organizes Hectic Family Schedules and Appointments
- Automatically Figures Your Checkbook Balance and Reconciles Your Bank Statement With Your Check Register

With the Tandy 1000 RL's DeskMate, you get nine easy-to-use applications. Plus, you also get the DeskMate Home Organizer with useful applications in three categories: Personal, Kitchen and Financial.

Your Personal organizer includes software that will take care of everything from home inventory lists to a diary. Comprise a detailed inventory of your possessions, or keep a private diary on your own diskette. A secret password and encrypted data file ensures that your personal diary entries will be for your eyes only. The automated bulletin board stores important phone numbers and makes scheduling daily appointments—even vacations—a breeze!

The Kitchen Organizer comes complete with recipes for appetizers, entrees and desserts, and you can enter your own family favorites as well. You can plan entire meals, then check what you'll need on your computerized grocery list—a time-saving dream!

The comprehensive Financial applications let you track your income and expenditures right down to the last penny. The Checkbook Register keeps a running total of your current checking balance and the Checkbook Balancer will reconcile your bank statement with your check register. Itemize your expenses by category and the computer will construct a pie chart to show graphically how your money was spent. Look for monthly trends in spending during the year—a super time-saver at tax time! The Financial Notebook keeps watch over your investments, loans and savings along with a useful Mathcard that will figure confusing financial formulas for you. The DeskMate Home Organizer is the computerized way to put your life in order.

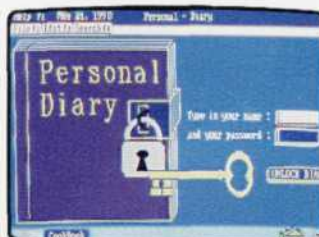

The Information Center is a computerized "message board" that displays those important phone numbers, appointments and a calendar simultaneously

Home Organizer is designed to help streamline your family's busy lifestyle—from personal schedules or household management tasks to planning meals and more

The Kitchen application lets you file your favorite recipes, plan complete meals from appetizers to desserts, and check what items you need on a computerized grocery list

The Personal application lets you keep a private diary or a detailed inventory of your possessions and collections
